House Bills

HB 2301-S by House Committee on Judiciary
(originally sponsored by Representatives
Lantz, Esser, Anderson, Benson, Upthegrove and Kagi)

Authorizing electronic notice and other communications
under the Washington business corporation act.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides for electronic notice and other
communications under the Washington business
corporation act.

-- 2002 REGULAR SESSION --

Jan 22 JUDI - Majority; 1st substitute bill be
substituted, do pass.

HB 2308-S by House Committee on Agriculture &
Ecology (originally sponsored by
Representatives Linville, Schoesler, Anderson, Dunshee,
Lovick, Lantz, Santos, Rockefeller, Berkey, Conway,
Wood, Edwards, Cooper, Hunt, Fromhold, Dickerson,
Cody, Simpson, Upthegrove, Kagi and McIntire)

Encouraging recycling and waste reduction.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Directs the department of general administration to
work with commercial and industrial construction industry
organizations to develop guidelines for implementing on-
site construction waste management planning.

Provides that, if a construction project receives state
public funding, the product standards, as provided in RCW
43.19A.020, shall apply to the materials used in the project,
whenever the administering agency and project owner
determine that such products would be cost-effective and
are readily available.

Declares it is the state's goal that programs be
established to eliminate residential or commercial yard
debris in landfills by 2012 in those areas where alternatives
to disposal are readily available and effective.

Requires the department of general administration to
develop goals for state use of recycled or environmentally
preferable products through specifications for products and
services, processes for requests for proposals and requests
for qualifications, contractor selection, and contract
negotiations.

Authorizes the commission to allow solid waste
collection companies collecting recyclable materials to
retain up to thirty percent of the revenue paid to the
companies for the material if the companies submit a plan
to the commission that is certified by the appropriate local
government authority as being consistent with the local
government solid waste plan and that demonstrates how the
revenues will be used to increase recycling. The remaining
revenue shall be passed to residential customers.

Provides that, by December 2, 2005, the commission
shall provide a report to the legislature that evaluates:

(1) The effectiveness of revenue sharing as an
incentive to increase recycling in the state; and

(2) The effect of revenue sharing on costs to
customers.

Directs the department of ecology to designate a
portion of the responsibilities of existing staff to investigate
and draw conclusions by December 31, 2002, on the
following:

(1) The use of scrap tires as alternative daily cover for
landfills;

(2) The feasibility of establishing and maintaining an
incentive program for market development for scrap tires.

Requires the department of ecology, in conjunction
with the appropriate private sector stakeholders, to track and
report annually to the legislature the total increase or
reduction of tire recycling or reuse rates in the state for each
calendar year and for the cumulative calendar years from
the effective date of this act.

-- 2002 REGULAR SESSION --

Jan 22 AGECE - Majority; 1st substitute bill be
substituted, do pass.

HB 2621 by Representatives Roach, O'Brien,
Casada, Lovick, Benson, Carrell, Kirby,
Barlean, Ahern, Morell, Pearson, Schmidt, Mulliken,
Campbell, Conway, Simpson and Esser

Increasing penalties for attempting to elude a pursuing
police vehicle.

Increases penalties for attempting to elude a pursuing
police vehicle.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Criminal
Justice & Corrections.

HB 2622 by Representatives Quall, Talcott,
Anderson, Haigh, Rockefeller, Schmidt,
Ogden, Lantz and Esser

Improving K-12 preparedness and performance through
promoting better oral health.

Declares that measures such as oral health screenings
and access to oral health disease prevention methods should
be readily available to children in a variety of health care
settings, including dental, medical clinic, and family
physician settings. If prevention methods are employed,
there will be substantial savings to the state's overburdened
health care system.

Encourages the superintendent of public instruction,
the department of health, and the department of social and
health services to collectively and collaboratively develop
a plan that promotes age appropriate oral health screenings
and preventive services at age one and at age five, or before
entering a public or private school setting. The departments
may report to the legislature on their findings and
recommendations.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Education.

HB 2623 by Representatives Grant, Cairnes, Reardon, Orcutt, Hatfield, Esser, Doumit, Anderson, Linville, Schoesler, Kessler, Jarrett, Berkey, Pflug, Alexander, Jackley, O'Brien, Nixon, Edwards, Mulliken and Haigh

Adjusting the monetary threshold for "substantial development" under the shoreline management act.

Declares an intent to modify the current dollar threshold for what constitutes substantial development under the shoreline management act, and to have this threshold readjusted on a five-year basis.

Requires the dollar threshold to be adjusted for inflation by the office of financial management every five years, beginning July 1, 2007, based upon changes in the consumer price index during that time period.

Requires the office of financial management to calculate the new dollar threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Local Government & Housing.

HB 2624 by Representatives Conway, Clements, Wood, Edwards and Hunt; by request of Governor Locke

Allowing the lottery commission to participate in a shared game lottery.

Recognizes that creating a shared game lottery could result in less revenue being raised by the existing state lottery ticket sales.

Recognizes that the two funds most impacted by this potential event are the student achievement fund and the education construction account.

Declares an intent to use some of the proceeds from the shared game lottery to make up the difference that the potential state lottery revenue loss would have on the student achievement fund and the education construction account.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Commerce & Labor.

HB 2625 by Representatives Linville, Buck, Van Loven and Lysen

Allowing the use of purse seine and other lawful fishing gear in certain waters.

Finds that the new Pacific salmon treaty agreement of 1999 will drastically reduce the commercial harvest of Fraser river sockeye salmon while likely providing

increased harvest opportunities in areas of Puget Sound where only gill net gear is now authorized.

Finds that this exclusive limitation is contrary to the long-term needs of the fishing industry and inconsistent with the legislature's intent to stabilize harvest levels while selectively targeting healthy salmon stocks.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Natural Resources.

HB 2626 by Representatives McIntire, Doumit, McDermott, Simpson, Linville, Benson, Kagi, Jarrett, Nixon, Edwards, Ogden and Rockefeller

Creating the evergreen recreation pass.

Finds that the lack of funds to maintain and repair these recreation sites may result in the closure of some of these sites to the public at a time when the demand for outdoor recreation areas continues to increase.

Declares an intent to create an evergreen recreation pass that will be available to serve as a renewable annual recreation pass for state-owned recreation sites in lieu of day-use fees, that this recreation pass will be widely available, and that purchase of this pass is optional for members of the general public.

Provides that revenues obtained from sales of the evergreen recreation pass will be distributed to the agencies participating in the evergreen recreation pass program in accordance with a formula developed by the office of financial management. The department of licensing will also be reimbursed for reasonable expenses incurred for promoting and selling the evergreen recreation passes. In developing the distribution formula, the office of financial management must consider the information derived from purchasers of the pass regarding use of the pass.

Requires at least seventy-five percent of the funds collected from sales of the evergreen recreation pass to be used for maintenance, repair, and equipment for these recreation sites. No more than twenty-five percent of the funds collected from sales of the pass may be used for the costs of collecting the fee.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Natural Resources.

HB 2627 by Representatives McIntire, Dunshee, Gombosky, Kenney, Esser, Quall, Jarrett, Benson, Lantz, Murray, Hurst, Veloria, Kagi, McDermott, Cooper, Chase, Anderson and Santos

Creating the Washington voluntary accounts program.

Provides that each participating employer is authorized to contract with a participating employee to defer a portion of that employee's income, in accordance with the internal revenue service code.

Provides that participating employees shall self-direct the investment of the deferred portion of their income through the selection of investment options as set forth in this act.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Appropriations.

HB 2628 by Representatives Chase, Edwards, Murray, Hunt, Lovick, Kenney, Schmidt, Veloria, Haigh and Conway

Exempting small business technology awards from business and occupation tax.

Exempts small business technology awards from business and occupation tax.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Trade & Economic Development.

HB 2629 by Representatives Wood, Conway, Kenney, Dickerson and Lysen

Regulating elevator contractors and mechanics.

Provides for regulation of elevator contractors and mechanics.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Commerce & Labor.

HB 2630 by Representatives Conway, Cairnes, Cooper, Wood, Lantz, Sullivan, Berkey, Edwards, Tokuda, Chase, Ogden, Santos and Simpson

Establishing apprenticeship utilization requirements for public works.

Provides that, from July 1, 2002, through December 31, 2002, all contracts for public works estimated to cost two million dollars or more shall require that no less than ten percent of the labor hours within each craft or trade be performed by apprentices of that craft or trade.

Provides that, from January 1, 2003, through December 31, 2003, all contracts for public works estimated to cost two million dollars or more shall require that no less than twelve percent of the labor hours within each craft or trade be performed by apprentices of that craft or trade.

Provides that, from January 1, 2004, and thereafter, all contracts for public works estimated to cost one million dollars or more shall require that no less than fifteen percent of the labor hours within each craft or trade be performed by apprentices of that craft or trade.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Commerce & Labor.

HB 2631 by Representatives Conway, Clements, Wood and Kenney; by request of Liquor Control Board and Gambling Commission

Changing provisions relating to criminal history background checks by state agencies.

Revises provisions relating to criminal history background checks by state agencies.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Commerce & Labor.

HB 2632 by Representatives Sommers, Cox, Kenney and McIntire

Pertaining to the higher education retirement plan.

Declares an intent to provide the faculty and other employees of the state universities, regional universities, The Evergreen State College, and the community and technical colleges, membership in the teachers insurance annuity association of America and college retirement equities fund, a defined contribution retirement plan.

Finds that a defined contribution plan is characterized by guaranteed retirement contributions by the employer and fixed contributions by the employee. Because the retirement benefit in a defined contribution plan is based on the accumulations in and the performance of the investment funds to which the employers and employees contribute, it is the intent of the legislature neither to guarantee nor limit this benefit.

Repeals RCW 28B.10.423.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Appropriations.

HB 2633 by Representatives Anderson, Morris, Ruderman, Hunt, Reardon, Crouse, Bush, Esser, Nixon, Pflug, Casada, Schmidt, Linville, Haigh and Jackley

Modifying the disclosure of tax information on customer billings.

Requires that the first customer billing issued after the beginning of each calendar year shall provide an annual summary of taxes directly paid by the customer and the amount of tax added as a component of the amount charged the customer during the previous year.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Technology, Telecommunications & Energy.

HB 2634 by Representatives Anderson, Cox, Talcott, Pflug, Bush, Carrell, Schindler, Schmidt, Van Luven, Morell, Roach, Nixon, Casada, Jarrett, Armstrong, Esser, Barlean, Pearson, Ballasiotes, Cairnes, Skinner, Woods, Dunn, Mitchell, Alexander, Ericksen, Edwards, Mulliken and Simpson

Ensuring funding for cost-of-living increases for certain school district and community and technical college employees.

Declares an intent to ensure full funding for the state's obligation under Initiative Measure No. 732, as codified under RCW 28A.400.205, 28A.400.206, 28B.50.465, and 28B.50.468.

Declares an intent to require prefunding of the costs of the initiative. By requiring the initiative to be funded through an advance deposit in the emergency reserve fund, the legislature will assure both that moneys to fund the initiative will be available in advance of the need for them, and that the funds will be protected against expenditure for any other purpose.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Appropriations.

HB 2635 by Representatives Cody, Campbell, Schual-Berke, Conway, Dickerson, Berkey, Edwards, Chase, McIntire, Ogden, Jackley, Kenney and Kagi; by request of Governor Locke

Requiring the development of consolidated purchasing and administration of health care services.

Provides that the administrator, in concert with other state agencies involved in state purchased health care and other interested parties designated by the administrator, will begin implementation of consolidated health care services purchasing and administration by January 1, 2003.

Provides that, by October 1, 2002, the administrator must submit to the governor and the health care and fiscal committees of the legislature an initial report on the feasibility of requiring all school districts and educational service districts to participate in consolidated purchasing under this act beginning with the 2003-04 school year.

Provides that, by December 1, 2002, the administrator must submit to the governor and the health care and fiscal committees of the legislature a final report on the study provided under this act.

Requires that, by January 1, 2003, the administrator must submit to the governor and the health care and fiscal committees of the legislature a progress report regarding the implementation of this act.

Provides that, by January 1, 2005, the administrator must submit to the governor and the health care and fiscal committees of the legislature a report on the impacts of consolidated purchasing and administration and any recommendations for modifications and improvements.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Health Care.

HB 2636 by Representatives Kagi, Chase, Dickerson, Casada, Tokuda, Veloria, Ogden and Rockefeller

Reducing littering of beverage containers by authorizing a redemption program.

Encourages the reduction of littering of beverage containers by authorizing a redemption program.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Agriculture & Ecology.

HB 2637 by Representatives Morris, Hatfield, Kessler, Anderson, Veloria, Linville, Haigh, Conway, Hunt, Schual-Berke, Wood, Simpson, Rockefeller, Jackley, Kagi and Ogden

Creating the joint task force on long-term energy supply.

Creates the joint task force on long-term energy supply.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Technology, Telecommunications & Energy.

HB 2638 by Representative Sommers; by request of Office of Financial Management

Funding the public employees' retirement system, the teachers' retirement system, and the school employees' retirement system.

Finds that in 2002 the public employees' retirement system plan 2, the teachers' retirement system plans 2 and 3, and the school employees' retirement system plans 2 and 3 are more than fully funded as defined in RCW 41.45.020.

Declares that it is prudent to impose a full funding limit on the employer contributions to these plans, and a full funding limit to the employee contributions to the public employees' retirement system plan 2, the teachers' retirement system plan 2, and the school employees' retirement system plan 2.

Finds that given the fund balances in these plans, it is appropriate to use another recognized actuarial method, the projected unit credit method, by which to more prudently fund these plans in the future.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Appropriations.

HB 2639 by Representatives Ruderman, Crouse, Bush, Nixon, Casada, Carrell, Anderson, Hunt, Van Luven, Talcott, Benson, Murray, Miloscia and Esser

Continuing a moratorium that prohibits a city or town from imposing a specific fee or tax on an internet service provider.

Extends the prohibition on taxes or fees specific to internet service providers.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Finance.

HB 2640 by Representative Gombosky; by request of Governor Locke

Including shipping charges in the measure of use tax.

Includes the amount of any freight, delivery, or other like transportation charge paid or given by the purchaser to the seller with respect to the purchase of such article.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Finance.

HB 2641 by Representatives Gombosky, Cairnes, Kessler, Morris, Berkey, Edwards, Kenney, Linville, Ogden and Conway; by request of Governor Locke

Implementing the recommendations of the investment income tax deduction task force for the business and occupation tax.

Finds that the application of the business and occupation tax deductions provided in RCW 82.04.4281 for investment income of persons deemed to be "other financial businesses" has been the subject of uncertainty, and therefore, disagreement and litigation between taxpayers and the state.

Finds that the decision of the state supreme court in *Simpson Investment Co. v. Department of Revenue* could lead to a restrictive, narrow interpretation of the deductibility of investment income for business and occupation tax purposes. As a result, the legislature directed the department of revenue to work with affected businesses to develop a revision of the statute that would provide certainty and stability for taxpayers and the state.

Declares an intent, by adopting this recommended revision of the statute, to provide a positive environment for capital investment in this state, while continuing to treat similarly situated taxpayers fairly.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Finance.

HB 2642 by Representatives Hurst and Haigh

Requiring volunteer fire fighters to notify their employers of their volunteer service.

Provides that a volunteer fire fighter may not file a complaint or bring an action under this act unless the volunteer fire fighter notified his or her employer as to his or her volunteer service within a reasonable time of accepting employment or beginning such volunteer service.

Declares that an employer may not discharge from employment or discipline a volunteer fire fighter because of notice given as described in this act

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Commerce & Labor.

HB 2643 by Representatives Dunshee, Mulliken, Linville and Chase

Conditioning the issuance of certain building permits on connecting to public water systems.

Provides that the county or city shall require connection to a public water system operated by a water district, public utility district, or other special purpose district providing potable water service if the building will be located within the service area of the district and the district has requested the county or city to impose that condition on the permit.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Local Government & Housing.

HB 2644 by Representatives Dunshee, Mulliken, Linville, Chase and Lantz

Considering population projections in determining adequacy of water supply.

Requires that the population projections must be accompanied by a statement from the director of financial management, in consultation with appropriate state agencies and officials, stating that adequate water supplies exist or will be available to serve the projected population.

-- 2002 REGULAR SESSION --

HB 2648 by Representatives Murray, Esser, Reardon and McIntire

Requiring additional information from certain capital budget applicants.

Requires additional information from certain capital budget applicants.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Capital Budget.

HB 2649 by Representatives Carrell, Anderson, Crouse and McMorris

Requiring county assessors to submit an annual property tax report to the department of revenue.

Requires each county assessor, before March 1st each year, to prepare and submit to the department of revenue a detailed report on property taxes levied within the county. The report must include assessed valuation, levy rate, and levy amount for each type of levy by each taxing district authorized to levy property taxes within the county.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Finance.

HB 2650 by Representatives Carrell, Cooper, Crouse, Benson and Simpson

Modifying voter approval provisions for tax levies exceeding the district levy limit.

Amends RCW 84.55.050 relating to voter approval of property tax levies exceeding the district levy limit.

-- 2002 REGULAR SESSION --

Jan 23 First reading, referred to Finance.

HB 2651 by Representatives Carrell, Cooper, Crouse, Mielke, Benson and Simpson

Authorizing a voter approved fire protection district tax levy.

Provides that, notwithstanding the limitation of dollar rates contained in RCW 52.16.130, 52.16.140, or 52.16.160, a fire protection district may submit a ballot proposition to voters of the district authorizing the fire

protection district to levy each year for up to ten years an ad valorem tax on all property located in the district not to exceed twenty-five cents per thousand dollars of assessed value and which will not cause the combined levies to exceed the constitutional or statutory limitations.

Provides that the additional levy, or any portion of the levy, may also be made when dollar rates of other taxing units are released by agreement with the other taxing units from their authorized levies. A simple majority vote of voters voting on the proposition is required for approval.

HB 2652 by Representatives Carrell, Mielke and Boldt

Protecting innocent owners of impounded vehicles.

Provides that a transfer of ownership is perfected by a report of sale that has been properly addressed and deposited postpaid in the United States mail and is deemed to have been received by the department on the date of the mailing. It is presumed that the date shown by the post office cancellation mark on the envelope is the date of mailing.

Declares that a person who causes a cancellation mark to reflect a date earlier than the actual date of mailing is guilty of a misdemeanor punishable under RCW 9.92.030.

Provides that, if a suspended license impound has been ordered, the impounding towing operator shall notify the legal and registered owners of the suspended license impound of the vehicle and the owners of any other items of personal property registered or titled with the department.

Requires that, for a vehicle that is impounded by a registered tow truck operator under RCW 46.55.080, 46.55.085, 46.55.113, or 9A.88.140, an agency shall provide the opportunity to submit a written request for release of the vehicle on the basis of economic or personal hardship.

Provides that, if a vehicle is released to the owner under this act, the owner has a cause of action against the operator of the vehicle for any removal, towing, storage, or other impoundment fees, reasonable damages for loss of the use of the vehicle during the time the vehicle was impounded, and reasonable attorneys' fees and costs paid by the owner to gain the release of the vehicle.

HB 2658 by Representatives Gombosky, Dunshee, Romero, Reardon, Berkey, Upthegrove, Edwards, Chase, Kenney, Linville, McIntire and Conway; by request of Governor Locke

Changing requirements regarding state and local tax to provide for municipal business and occupation tax uniformity.

Declares an intent to provide for a more uniform system of city business and occupation taxes that eliminates multiple taxation, while allowing for some continued local control and flexibility to cities.

Declares that this act does not apply to taxes on: (1) A light and power business or a natural gas distribution business, as defined in RCW 82.16.010;

(2) A telephone business, as defined in RCW 82.04.065;

(3) Cable television services;

(4) Sewer or water services;

(5) Drainage services

(6) Solid waste services;

(7) Steam services; or

(8) Any other service that historically or traditionally has been taxed as a utility business for municipal tax purposes.

Requires the association of Washington cities to adopt a model ordinance on municipal gross receipts business and occupation tax. The association of Washington cities shall develop and adopt the model ordinance and subsequent amendments using a process that includes opportunity for input from business stakeholders and other members of the public. Input shall be solicited from statewide business associations and from local chambers of commerce in cities that levy a gross receipts business and occupation tax.

Requires the department of revenue to continue to work with the association of Washington cities and the business community on the issues of apportionment and allocation of income and to report to the governor and the fiscal committees of the legislature on its progress by the first day of the fifty-eighth legislature.

Creating the permit assistance center in the department of ecology.

Finds that, as the number of environmental laws and regulations have grown in Washington, so have the number of permits required of business and government. This regulatory burden has significantly added to the cost and time needed to obtain essential permits in Washington. The increasing number of individual permits and permit authorities has generated the continuing potential for

conflict, overlap, and duplication between the various state, local, and federal permits.

Declares that the purpose of this act is to institute new, efficient procedures that will assist businesses and public agencies in complying with the environmental quality laws in an expedited fashion, without reducing protection of public health and safety and the environment.

Regulating fire truck weight.

Provides that the maximum weight a fire-fighting apparatus may weigh is 50,000 pounds on a tandem axle set, and may not exceed 600 pounds per inch width of tire. The maximum weight limit must include the weight of a full water tank, if applicable, all equipment necessary for operation, and the maximum number of personnel allowed on board.

Provides that, when applying for a permit, a current weight slip from a certified scale must be attached to the department's application form. Upon receiving an application, the department shall transmit it to the local jurisdictions in which the fire-fighting apparatus will be operating, so that the local jurisdictions can make a determination on the need for local travel and route restrictions within the operating area.

Authorizes the Washington state patrol to conduct random spot checks of fire-fighting apparatus to ensure compliance with overweight permit regulations. If a fire-fighting apparatus is found to be not in compliance with overweight permit regulations, the state patrol shall issue a violation notice to the fire department stating this fact and

prohibiting operation of the apparatus on city, county, and state roadways.

Declares it is a traffic infraction to continue to operate a fire-fighting apparatus on the roadways after a violation notice has been issued. The following penalties apply: (1) For a first offense, the penalty will be no less than fifty dollars but no more than fifty dollars;

(2) For a second offense, the penalty will be no less than seventy-five dollars;

(3) For a third or subsequent offense, the penalty will be no less than one hundred dollars.

Authorizing the financing of regional transportation
planning improvements by counties.

Finds that:

(1) The capacity of many of Washington state's
transportation facilities have failed to keep up with the
state's growth, particularly in major urban regions;

(2) The state cannot by itself fund, in a timely way,
many of the major capacity and other improvements
required on highways of statewide significance and for
other regional transportation projects in the state's largest
urbanized areas;

(3) Providing a transportation system that maintains
efficient mobility for persons and freight requires a
partnership between the state, local, and regional
governments and the private sector;

(4) Timely construction and development of
significant transportation improvement projects can best be
achieved through enhanced funding options for
governments at the city, county, and regional levels. The
legislature intends to use existing governments, existing tax
authority with enhancements, and existing authority for
interlocal cooperation among governments to address
critical local, regional, and statewide roadway and
multimodal needs; and

(5) Voters must be assured that locally generated
moneys to address transportation projects will remain
within the taxing jurisdiction and that the tax revenues will
be used to address an identified list of projects and
activities.

SB 6642 by Senators Prentice, Fairley and Jacobsen

Regulating negotiations between health providers and health carriers.

Recognizes that managed competition may be adversely affecting the supply of health care providers in this state. The provision of health services by health care providers in participating provider agreements with health carriers, while resulting in health cost containment, is leading to a flight of these providers to other areas of the country where bureaucratic demands on practices are less cumbersome and reimbursement levels are noticeably higher, causing a serious drain on the supply of health care providers available for serving patients and otherwise threatening public access to health care services in the state.

Finds that, as the marketplace of health carriers tends to be more concentrated than the market for health care providers, there is often a disparity of bargaining power between them, resulting in a dramatic disadvantage of health care providers in their efforts to negotiate the terms and conditions of their contracts with health carriers.

Declares that the rules must include the ability of providers to meet and communicate for the purposes of these negotiations, a requirement for representatives of health care providers and health carriers to negotiate in good faith, and options for voluntary mediation or arbitration in case of impasse.

Provides that the insurance commissioner may, subject to a hearing if one is demanded, revoke, suspend, or refuse to accept or renew registration from any health carrier, issue a cease and desist order, or bring an action in any court of competent jurisdiction to enjoin a health carrier from doing any further business in this state, if the health carrier violates the provisions of RCW 43.72.310(2)(c) or any rules promulgated under that subsection.

Provides that, after hearing or upon stipulation by the registrant and in addition to or in lieu of the suspension, revocation, or refusal to renew any registration of a health carrier, the commissioner may levy a fine against the party involved for each offense in an amount not less than ten thousand dollars.

Provides that upon failure to pay any fine when due, the insurance commissioner shall revoke the registration of the health carrier, and the fine shall be recovered in a civil action brought in behalf of the commissioner by the

attorney general. Any fine collected shall be paid by the commissioner to the state treasurer for deposit in the general fund.
